

**MATTEEDRIVER-TWINTOOTH #44KART**  
**3 EVENTS, 11 PODIUMS, 4 WINS, 5 FAST LAPS, 4 POLES, ALL HEART**

*We hand picked Matt Lee for his professional character and god given talent. The driver of our #44 kart is delivering by finding the checkered flag in P1 four times and posting eleven podiums. As the season progresses, Matt is growing as a driver and has become a dominant threat in four separate classes every time he settles into one of our #44 Twin Tooth rockets. As Twin Tooth Racing Apparel launches it's custom crew shirt lines, we expect more success as the season unfolds. As always we ask our fellow competitors, " Do you qualify? "*

*We'll see you on the podium.*
